enrollment, and the possibility of scheduling conflicts. Please consult with your child's case manager and/or school counselor to assist you in selecting courses that are best suited for your son/daughter's learning needs. Additionally, an intervention support class may replace 1 half-year elective if a student is not demonstrating consistent mastery of grade level skills. Students who fail an SOL test maybe required to take an elective academic preparation class.

I understand that the school reserves the right to change a student's schedule based on scheduling needs, course availability and/or conflicts. Your signature below indicates approval of this course selection sheet.

Any changes to this course selection sheet must be made prior to May 24, 2024.
